PROFESSIONAL EXPERIENCE

Linden Public
High School
Linden, NJ

January 2018–Present

Teacher of Students with Disabilities

- Instruct students from 6th to 8th grade in all core subjects and equip students with knowledge and skills to maneuver through daily life.
- Carry out 13 weeks of online instruction, including weekly lesson creation, daily web conferences as well as utilizing several technical methods to contact students and their families.
- Modify assignments for instructional and academic clarity to keep balance within the classroom.
- Write present levels of academic performance and goals for students with individualized educations plans.

October 2017–January 2018

Long Term-Substitute Teacher (English-Resource)

- Instructed three sections of twelfth grade resource students in English with emphasis on the comprehension and analysis of fiction and informational texts.
- Prepared lesson plans and class materials.
- Worked closely and built strong relationships with teachers and staff to better my skills in preparing and executing lessons.

September 2016–January 2018

Substitute Teacher

- Adapted to a variety of teaching styles to effectively implement instruction as outlined by faculty and school administrators.
 - Adapted instructional approach and classroom management techniques to meet the needs of a diverse learner population.
- Utilized practical knowledge from pre-service course work to evolve my own skills through research of techniques and tools to aid in the classroom.

Michaels Crafts
Clark, NJ

July 2015–July 2017

Customer Experience Manager

- Directed and supervised employees engaged in sales, inventory adjustments and maintenance, and cycle counts.
- Evaluated and maintained training records for employees to deliver outstanding internal and external customer service, conducted team building exercises to boost staff morale.
- Reorganized the sales floor to meet company demands stocked and restocked inventory when shipments were received.
